TSD9 Families,

We have exciting news!! Tillamook School District expects to fully reopen schools to full-day, five days per week, in-person learning in the fall. School is scheduled to start on Tuesday, September 7th (this may vary for some grade levels). For a copy of the calendar [please click here](#). Many details still need to be considered as we begin work on our plan to return. We will continue to operate under the guidance of the Oregon Department of Education and Oregon Health Authority. The guidance will be referred to as the Resiliency Framework. A sample copy of the Framework can be found at: <https://www.oregon.gov/ode/students-and-family/healthsafety/Documents/Ready%20Schools%20Safe%20Learners%20Resiliency%20Framework%20for%20the%202021-22%20School%20Year.pdf> .

Over the course of the next month and a half we do anticipate that changes and plans will continue to be adjusted and altered as circumstances and guidance changes. We of course will continue to partner with public health officials and plan to keep families updated as we finalize details in the next couple of months.

Please also know that the Virtual Academy will still be an option for the 2021-2022 school year. You can express interest if you haven't already at the time of registration. More registration information will come in the next few weeks.

Enjoy the rest of your summer!
